

Evita Perrotta

Maintenance Engineer

Profile

I am a qualified Maintenance Engineer with over 5 years of experience. I have gained extensive knowledge and skills in the maintenance and repair of a wide range of equipment. I possess strong problem-solving abilities which enable me to quickly identify and rectify faults. I also have excellent interpersonal skills which allow me to effectively communicate with colleagues, clients, and suppliers. In addition, I am highly organised and efficient in my work, able to prioritise tasks and meet deadlines.

Employment History
