(176) 770-3252

Peachtree St NE, Atlanta, GA 30361

PROFILE

I am a reliable and experienced maintenance mechanic with over three years of experience in the field. I have gained a strong understanding of mechanical systems and have successfully completed repairs on a variety of equipment. My ability to troubleshoot issues quickly has resulted in minimal downtime for my employers. In addition, I take pride in maintaining a clean and organized work area.
