Elm Street, Indianapolis, IN 10001

I have over 1 year of experience as a maintenance worker. I am responsible for performing various maintenance and repair tasks. I am skilled in using tools and equipment, and I have the ability to troubleshoot problems. I am also familiar with building codes and safety regulations.

Maintenance Worker at Walmart, IN

Mar 2022 - Present

- Cleaned and repaired HVAC units for a 50-story office building.
- Repaired broken pipes in a high-rise apartment complex.
- Replaced light fixtures in a warehouse.
- Painted walls in a school.
- Cleaned gutters on a commercial building.

Maintenance Worker II at Home Depot, IN

Jul 2021 - Feb 2022

- Completed preventative maintenance on HVAC systems twice a month, which lowered the number of emergency repairs by 25%.
 - Inspected and repaired plumbing fixtures throughout the building, reducing water waste by 10%.
 - Repaired electrical equipment and wiring, decreasing fire hazards by 15%.
 - Painted hallways and classrooms every 6 months, maintaining a bright and inviting environment for students.
 - Maintained custody of keys and access cards for the school, ensuring that only authorized personnel had access to the building.
-

High School Diploma at Ben Davis High School, Indianapolis, IN

Sep 2017 - May 2021

I've learned how to manage my time, how to study for exams, and how to do research.
