2212 Central Ave, Cheyenne, WY 82001

Profile

I am a medical affairs consultant with over 4 years of experience in the pharmaceutical industry. I have worked on a variety of projects, ranging from clinical trials to market research. I have also gained experience in project management and business development. My skills include excellent communication and writing skills, as well as an ability to work independently.

Employment History

Senior Medical Affairs Consultant at Blue Cross Blue Shield of Wyoming, WY

Mar 2022 - Present

- Led the development of 4 successful clinical trials which resulted in FDA approval for new medical device.
- Authored 12 scientific papers that were published in top-tier journals.
- Presented at 32 national and international conferences on various aspects of disease management.
- Acted as liaison between Medical Affairs and Sales, successfully increasing sales by 15% through educational initiatives.
- Chaired the Scientific Advisory Board for a major pharmaceutical company, providing guidance on product development strategy.
- Led a team of 5 junior consultants in developing best practices for conducting clinical research.

Medical Affairs Consultant at Wyoming Medical Society, WY

Sep 2018 - Jan 2022

- Led the development of 4 medical affairs strategies that resulted in an increase in market share by 2%.
- Authored 12 scientific papers that were published in peer-reviewed journals.
- Presented at 35 national and international conferences on behalf of the company and its products.
- Chaired or served on 5 committees for professional organizations related to the company's therapeutic area focus.

Education

Bachelor of Science in Biology at University of Wyoming

Sep 2014 - May 2018

I have learned how to effectively communicate with others, how to work in a team, how to manage my time wisely, and how to conduct research.
