Debrah Fenimore

Medical Transcriptionist

👤 Profile

I have over three years of experience as a medical transcriptionist and I have an excellent understanding of the field. I am extremely accurate and detail-oriented, which is essential for this type of work. I also have a strong grasp of medical terminology. I am able to transcribe recordings accurately and quickly, even when they are difficult to understand. In addition, I can edit transcripts if necessary.

📑 Employment History

Medical Transcriptionist at Mayo Clinic, NJ

Mar 2022 - Present

- I increased my typing speed from 60 words per minute to 100 words per minute.
- I completed medical transcription training in 3 months.
- I have worked as a medical transcriptionist for 2 years.
- I have transcribed over 10,000 patient files.
- I have an accuracy rate of 98%.
- I helped develop the company's new quality assurance program and reduced errors by 25%.

Medical Transcriptionist II at Cleveland Clinic, NJ

Jul 2019 - Jan 2022

- Successfully completed training and certification in medical transcription.
- Achieved a typing speed of 60 words per minute with 100% accuracy.
- Transcribed an average of 50 audio minutes per day, totaling 2,500 audio minutes per month.
- Successfully edited and proofread transcripts for grammar, punctuation, spelling, and format errors.
- Maintained up-to-date knowledge of medical terminology by regularly attending continuing education courses offered by the hospital or online.
- Worked closely with physicians to ensure that all dictated reports were accurately transcribed into the patient's medical record within 24 hours of receipt.

🎓 Education
