

Karris Doenges

Nanny

Profile

I am a professional nanny with over 1 year of experience working in the industry. I have worked with children of all ages, from newborns to toddlers, and have provided top-notch care for each one. I am patient, compassionate, and always put the needs of my charges first. I believe that every child is unique and deserves individualized attention. In addition to providing childcare, I also perform light housekeeping duties as needed (laundry, dishes, vacuuming). Safety is always my number one priority when caring for children; therefore, I keep a close eye on them at all times while maintaining a fun environment where they can learn and grow.
