EMPLOYMENT HISTORY

● Nurse Anesthetist at Parkview Surgical Hospital, MT

Mar 2022 - Present

- Certified nurse anesthetist with 4 years of experience.
- Delivered over 500 anesthesia services without any complications.
- Conducted pre-anesthesia evaluations for 100 patients.
- Monitored vital signs and provided supportive care during surgery for 200 patients.
- Managed postoperative pain control for 50 patients.
- Educated 25 medical students on the principles of anesthesia.

● Lead Nurse Anesthetist at Bozeman Health Deaconess Hospital, MT

Aug 2018 - Feb 2022

- Led a team of 5 nurse anesthetists in providing anesthesia care to 500 patients over the course of 6 months.
- Supervised and trained 4 new nurse anesthetists.
- Successfully completed 300+ hours of continuing education on pain management, anesthesia techniques, and patient safety.
- Implemented a new protocol for post-operative pain management that resulted in a 25% decrease in patient complaints.
- Reduced surgical site infections by 15% through implementation of strict sterile technique protocols.
- Participated in 10 research studies related to improving anesthesia care.

● Senior Nurse Anesthetist at St. Peter's Health, MT

Jul 2015 - Jun 2018

- Led a team of 5 anesthetists in providing care for 400 patients during a mass casualty incident.
- Successfully completed 300+ surgeries over the course of 6 months while working as the only nurse anesthetist at rural hospital.
- Trained 10 new nurse anesthetists.
- Authored 3 peer-reviewed articles on anesthesia topics.
- Presented at 2 national conferences on anesthesia techniques and best practices.
- Provided expert testimony to state legislature on proposed changes to scope of practice laws for nurse anesthetists.

EDUCATION

Master of Science in Nurse Anesthesia at Montana State University

Sep 2011 - May 2015

Some skills I've learned are critical thinking, time management, and how to handle stress.
