(427) 565-0653

2860 W 9 Mile Rd, Ferndale, MI 48220

Profile

I have over three years of experience as a nurse educator. In this role, I was responsible for providing educational support to nursing staff and students. This included developing and delivering educational materials, conducting classroom observations, and evaluating student progress. I am passionate about promoting lifelong learning among healthcare professionals and helping them to provide the best possible care to their patients.

Employment History

Nurse Educator at University of Michigan Health System, MI

Jun 2022 - Present

- Led a team of nurses in developing and implementing an education program that reduced the incidence of pressure ulcers by 50%.
- Developed and implemented a nurse orientation program that decreased new hire turnover rates by 20%.
- Created and taught continuing education courses on various topics such as wound care, pain management, and infection control. These courses helped nursing staff to maintain their licenses and improve patient outcomes.
- Conducted research on best practices for teaching nursing students about evidence-based practice. Presented findings at national conference.

Assistant Nurse Educator at Michigan State University, MI

Aug 2019 - May 2022

- Led a team of 5 nurses in developing and implementing a new patient education program that improved patient satisfaction scores by 15%.
 - Successfully implemented a new nursing orientation program for 100 newly hired RNs, reducing turnover rates by 10%.
 - Authored 3 articles on best practices in nursing education which were published in leading industry journals.
 - Presented at 4 national conferences on topics related to nurse education and professional development.
-

Education

Master of Science in Nursing Education at University of Michigan

Sep 2014 - May 2019

I've learned how to effectively communicate with people, how to manage my time wisely, and how to think critically.
