

Asha Blackhawk

Nurse

Profile

I am a nurse with over 3 years of experience in the medical field. I have worked in various settings, including hospitals, clinics, and doctor's offices. I have gained a wealth of knowledge and experience in patient care. I am passionate about providing quality care to my patients and taking on new challenges. I am looking for an opportunity to use my skills and abilities to make a difference in the lives of others.

Employment History

Staff Nurse at Geisinger, PA

Mar 2022 - Present

- Provided direct patient care to medical-surgical patients, including post-operative patients.
- Monitored and assessed vital signs and administered medications according to physician orders.
- Assisted with diagnostic testing, such as X-rays and lab workup.
- Developed trusting relationships with patients and provided emotional support during difficult times.
- Educated patients on their conditions, discharge instructions, and medication regimen prior to leaving the hospital.
- Wrote progress notes in electronic medical record documenting all pertinent information about patient status.

Registered Nurse at UPMC, PA

Aug 2019 - Jan 2022

- Successfully completed 1,200 hours of clinical rotation in various medical settings.
- Assisted in the care of 400 patients during my time as a student nurse.
- Successfully passed the NCLEX-RN exam on first attempt.
- Hired as a Registered Nurse at XYZ Hospital immediately following graduation.
- Worked 3 12-hour shifts per week and provided direct patient care to 20-25 patients per shift.
- Earned "Employee of the Month" recognition from supervisors and peers alike.

Certificates

Certified Nursing Assistant (CNA)

Aug 2020

Licensed Practical Nurse (LPN)

Sep 2018
