

Thelia Eidson

Occupational Therapist

I am an experienced occupational therapist with over a year of experience. I have worked with a variety of clients, ranging from children to adults. I have a strong passion for helping others improve their quality of life and reach their fullest potential. I am dedicated to my work and take pride in making a difference in the lives of those I serve.

Education

Master of Science in Occupational Therapy at University of Nevada, Reno

Aug 2017 - May 2021

Some skills I've learned are how to better communicate with others, how to better understand and assess others' needs, and how to better design and implement treatment plans.
