PROFILE

In the past three years, I have been an offensive coach for a Division I college football team. My responsibilities include game-planning and play-calling on offense, as well as working with the quarterbacks and receivers to improve their skills. I have also been responsible for recruiting new players to our team. In my time at this school, our teams have had two winning seasons and we have made it to one bowl game.

EMPLOYMENT HISTORY

● Offensive Coordinator at Green Bay Packers, WI

Jun 2022 - Present

- Led offense to average 30 points per game.
- Directed successful two-minute drills that resulted in touchdowns on 7 of 10 occasions.
- Increased team's passing yards by 500 from previous season while decreasing interceptions thrown by quarterback(s) by 4.
- Installed new red zone playbook which improved scoring percentage inside the 20 yard line by 5%.
- Enlarged run plays package which contributed to a 100 yard rushing games for 3 different running backs over course of season.
- Oversaw wide receiver corps that included 2 1,000+ Yard receivers and one Pro Bowl tight end.

● Quarterbacks Coach at Milwaukee Brewers, WI

Sep 2019 - May 2022

- Led the quarterback to a 96.2 passer rating, which was the second highest in team history and fourth highest in NFL history.
- Helped the quarterback set franchise records for passing yards (4,762), touchdown passes (32), and completions (400).
- Guided the quarterback to an NFC-best 70.1 completion percentage.
