## PROFILE

I have over 5 years of experience as an Ophthalmic medical technician. I am highly skilled in performing a variety of ocular tests, including visual acuity testing, refraction, tonometry, and pachymetry. I am also experienced in assisting with surgery and contact lens fittings. I have excellent communication skills and a strong commitment to providing quality patient care.

## EMPLOYMENT HISTORY

- **Ophthalmic medical technician at Visions of Maine, Inc., ME**  
Apr 2022 - Present
  - Assisted ophthalmologists in performing over 500 vision screenings for low-income children.
