

# Donyelle Notarfrancesco

Ophthalmic technologist

## Profile

I have over 1 year of experience as an ophthalmic technologist. I am certified in both California and Nevada. I have worked extensively with patients of all ages, ethnicities, and backgrounds. My skills include performing comprehensive eye exams, measuring visual acuity, administering diagnostic testing, and providing patient education on various eye conditions and treatments. In addition to my clinical experience, I also possess excellent customer service skills which help put patients at ease during their visits.

## Employment History

### Ophthalmic technologist at The Eye Care Center, VT

Mar 2022 - Present

- Managed a caseload of 50 patients per day, ensuring efficient and high-quality care.
