

# Valerie Placke

## Packer

I am a reliable and experienced Packer with over 5 years of experience in the field. I have an excellent track record of safely and efficiently packing products for shipment, as well as unpacking incoming shipments. I am able to work independently or as part of a team, whichever is needed at the time. My attention to detail ensures that all products are properly packed and labeled before being shipped out, which minimizes any delays or issues during transit.
