

Kimber Kersaint

Packing machine operator

Profile

I have over 1 year of experience as a packing machine operator. I am responsible for operating and maintaining packing machines, as well as ensuring that products are properly packaged. I have a strong attention to detail and work efficiently to meet deadlines.

Employment History

Packing machine operator at Georgia-Pacific, GA

Jun 2022 - Present

- Operated a packing machine to package various products such as food, beverages, and cosmetics.
- Set up the packing machine according to specifications and ran test packaging on scrap materials.
- Monitored the packaging process to ensure that products were being packed correctly.
- Adjusted packager settings when necessary to maintain proper product quality.
- Removed finished packages from the packing machine and placed them onto conveyors or other storage devices.
