

Mairin Minutella

Paramedic

Profile

As a paramedic, I have over three years of experience providing medical care to patients in emergency and non-emergency situations. I am skilled at assessment and management of both acute and chronic health problems, as well as performing CPR and other life-saving interventions. In addition, I have excellent communication skills which allow me to effectively communicate with patients, their families, and other members of the healthcare team.

Employment History

Paramedic at LifeStar Ambulance, NE

Apr 2022 - Present

- Assisted in the transport of over 500 patients to the hospital.
- Performed CPR on over 100 patients.
- Assisted in the delivery of 3 babies.
- Responded to over 1000 emergency calls.
- Trained new paramedics in proper procedures and protocol.

Emergency Medical Technician at Midwest Medical Transport, NE

Jul 2019 - Mar 2022

- Assisted in the transport of over 100 patients to the hospital during my shift.
- Helped save the life of a patient who had stopped breathing by performing CPR.
- Assisted in stabilizing a patient with multiple broken bones before they could be transported to surgery.
- Successfully completed all training and certification requirements for an Emergency Medical Technician.
- Was commended by my supervisor for displaying excellent teamwork skills during a chaotic emergency situation.
- Managed to keep calm and provide clear instructions to panicked family members of injured patients.
