Pediatric Nurse

## Profile

I am a Pediatric Nurse with over three years of experience. I have worked in both inpatient and outpatient settings, caring for infants, children, and adolescents up to the age of 21. I have a wide range of pediatric nursing skills including assessment, diagnosis, treatment planning, implementation, and evaluation. In addition to my clinical skills, I am also proficient in charting/documentation using EHRs (Electronic Health Records), as well as excellent communication and interpersonal skills.

## Employment History

### Pediatric Nurse at Maine Medical Center, ME

Jun 2022 - Present

- Worked as a Pediatric Nurse in the XYZ Hospital for 5 years.
- Provided direct nursing care to infants, toddlers, and children with various medical needs.
- Assisted in the development and implementation of individualized care plans.
- Monitored patients' progress and reported any changes to the supervising physician.
- Educated families on proper at-home care techniques.

### Pediatric Nurse Practitioner at Eastern Maine Medical Center, ME

Sep 2019 - May 2022

- Successfully completed 100% of well-child visits for the year.
- Maintained a no show/cancellation rate below 5%.
- Achieved patient satisfaction scores above 95th percentile for the year.
- Identified and resolved 30 medication errors per month on average.
- Successfully implemented a new care plan for 10 patients with chronic illnesses.

## Education

### Associate Degree in Nursing at Kennebec Valley Community College

Aug 2015 - May 2019

I have learned how to provide quality nursing care to patients while working under the supervision of a registered nurse.
