PROFILE

I am a pharmacy aide with over 1 year of experience in the industry. I have worked in both retail and hospital settings, and have gained a wealth of knowledge about medications, dosage forms, and prescription processing. I am an excellent communicator and work well under pressure. I am also knowledgeable about insurance billing procedures. In my previous positions, I was responsible for stocking shelves, filling prescriptions, entering patient information into the computer system, answering phones, and providing customer service.
