PROFILE

I am a pharmacy buyer with over 5 years of experience in the pharmaceutical industry. I have a strong knowledge of the products and services offered by various suppliers, and I am skilled at negotiating contracts and pricing agreements. I also have experience managing inventory levels and forecasting future needs.

EMPLOYMENT HISTORY

● Pharmacy Buyer at McKesson Corporation, MI

Mar 2022 - Present

- Negotiated prices with vendors that saved the company \$300,000 annually.
- Implemented a new inventory management system that reduced stock-outs by 25%.
- Rewrote purchasing policies and procedures that improved compliance with FDA regulations.
- Collaborated with clinical staff to develop formulary guidelines for cost-effective drug selection.
- Monitored market trends and advised senior management on opportunities for cost savings.

● Assistant Pharmacy Buyer at Cardinal Health, MI

Jul 2017 - Jan 2022

- Negotiated a 5% decrease in the price of medication X, resulting in an annual savings of \$100,000 for the hospital.
- Successfully implemented a new inventory management system that decreased stock-outs by 30%.
- Worked with vendors to resolve delivery issues which had previously caused 25% of orders to be late.
- Led a team of 3 buyers in developing and implementing a new bidding process for pharmaceuticals which saved the hospital 10% on their total yearly spend.
- Managed relationships with 20 different suppliers while maintaining 97% fill rates on all orders placed.
