

Billie Laforte

Pharmacy Consultant

Profile

I am a highly experienced pharmacy consultant with over 5 years of experience working in the industry. I have worked with clients of all sizes, from small independent pharmacies to large chain stores. I have a deep understanding of the inner workings of the pharmacy business and can provide invaluable insights and guidance to my clients. In addition to consulting services, I also offer educational seminars on various topics related to running a successful pharmacy business. My goal is always to help my clients improve their businesses and operations so that they can better serve their patients and communities.
