(447) 658-4107

6562 Spruce St, Anchorage, AK 99516

---

I am a Clinical Pharmacy Consultant with over five years of experience. I have provided comprehensive medication management services to patients in both the hospital and outpatient setting. I have also served as a preceptor for pharmacy students and new staff members. In addition, I have created educational materials on various topics related to medications and disease states. My ultimate goal is to improve patient outcomes by optimizing their medication therapy through evidence-based recommendations.

---
