

Shanita Tepperman

Project Engineer

Profile

I am a Project Engineer with over 4 years of experience in the engineering field. I have worked on various projects, both big and small, and have gained valuable experience in each one. I am extremely organized and detail-oriented, which allows me to complete tasks efficiently and effectively. I am also very proactive – if there is ever an issue with a project, I work quickly to find a solution that will minimize any negative impacts. My goal is always to ensure that the project is completed successfully and on time.
