(395) 370-7957

95 Washington St, Hartford, CT 06106

PROFILE

I have over 3 years of experience as a psychiatric social worker. I have worked with clients of all ages, from children to adults. I am experienced in working with clients who have mental health disorders, substance abuse issues, and/or developmental disabilities. I am passionate about helping my clients improve their lives and reach their full potentials.
