Employment History

Psychiatrist at Hennepin Healthcare, MN

Mar 2022 - Present

- I successfully treated a patient with severe depression and helped them return to work.
- I developed a new treatment plan for patients with anxiety disorders that significantly reduced their symptoms.
- I wrote a paper on the efficacy of psychiatric medication that was published in a major medical journal.
- I gave a presentation at an international conference on the latest advances in psychiatric care.

Associate Psychiatrist at Park Nicollet Melrose Center, MN

Sep 2019 - Jan 2022

- Led a team of 5 psychiatrists in providing outpatient care to 200 patients with mental illness.
- Successfully implemented a new treatment program for 100 patients with bipolar disorder that reduced hospitalization rates by 50%.
- Authored 2 papers on the use of antipsychotic medication in treating schizophrenia that were published in leading psychiatric journals.
- Presented at 3 national conferences on the topic of innovative treatments for Major Depressive Disorder.
- Served as Chief Resident during final year of residency, overseeing training and development of 15 residents.

Assistant Psychiatrist at North Memorial Health, MN

Sep 2015 - Aug 2019

- Led a team of 4 psychiatrists and 2 psychiatric residents in providing care to 100 patients with mental illness.
- Supervised the provision of medication to 50 patients with severe depression.
- Conducted weekly individual therapy sessions with 20 patients suffering from PTSD.
- Wrote 5 papers on new methods for treating anxiety disorders that were published in peer-reviewed journals.
- Presented at 3 national conferences on innovative approaches to treating bipolar disorder.
