EMPLOYMENT HISTORY

● Psychiatrist at Brattleboro Retreat, VT

Apr 2022 - Present

- Led a team of 5 psychiatrists in providing care to 200 patients with mental illness.
- Successfully diagnosed and treated 100 patients with depression.
- Prescribed medication to 50 patients with anxiety disorders and monitored their progress.
- Conducted research on the efficacy of different psychiatric medications and published findings in leading journals.
- Provided consultation to local law enforcement on cases involving mentally ill suspects.
- Delivered lectures on various topics related to psychiatry at national conferences.

● Associate Psychiatrist at Rutland Regional Medical Center, VT

Sep 2020 - Mar 2022

- Led a team of 4 psychiatrists and 2 psychiatric nurses in providing care to patients with mental illness.
- Treated an average of 20 patients per day.
- Diagnosed and treated patients with various mental disorders, including depression, anxiety, bipolar disorder, etc.
- Prescribed medication to treat patient's symptoms.
- Monitored patient progress and made necessary adjustments to treatment plan.
- Provided counseling and support to patients.

● Assistant Psychiatrist at University of Vermont Health Network, VT

Sep 2015 - Jul 2020

- Led weekly group therapy sessions for up to 10 patients with various mental health diagnoses.
- Conducted initial psychiatric evaluations for new patients and developed treatment plans accordingly.
- Monitored patient progress and made necessary adjustments to their individualized treatment plans.
- Prescribed medication as needed and provided support/guidance to patients regarding side effects, dosage, etc.
- Collaborated with multidisciplinary team members (e.g., social workers, psychologists) to ensure coordinated care.
- Attended weekly case review meetings to keep abreast of changes in each patient's condition.

EDUCATION

Medical Doctor at University of Vermont, VT

Sep 2011 - May 2015

I have learned how to better communicate with patients, how to work long hours, and how to better manage my time.
