Quality Control Manager

## Profile

I am a Quality Control Manager with over 5 years of experience. I have a proven track record in managing quality control programs and ensuring compliance with all applicable regulations. I am an expert at identifying process improvements and implementing corrective actions. I have superb communication skills and work well under pressure.

## Employment History

### Quality Control Manager at Company 1: ABC Corporation, NH

May 2022 - Present

- Led a team of 8 quality control inspectors and ensured that all products met the required standards before being shipped to customers.
- Implemented a new quality control system that reduced defects by 25%.
- Trained 100 employees on proper quality control procedures.
- Negotiated with suppliers to improve the quality of materials used in production.

### Quality Control Engineer at Company 2: XYZ Corporation, NH

Sep 2017 - Mar 2022

- Implemented new quality control procedures that reduced customer complaints by 25%.
- Developed a training program for new quality control engineers that decreased on-the-job accidents by 15%.
- Wrote and presented a paper at the International Quality Control Conference on best practices in quality control management.
- Led a team of 10 quality control engineers in developing and implementing new methods for testing products prior to release. These changes resulted in a decrease of defective products released to customers by 20%.
- Awarded "Employee of the Month" 3 times for exemplary performance in meeting or exceeding all job expectations.

## Education

### Bachelor of Science in Quality Control at Dartmouth College, NH

Sep 2012 - May 2017

Some skills I've learned are quality control methods, tools and techniques, data analysis, and root cause analysis.
