15502 SE 384th St, Auburn, WA 98092

PROFILE

I am a radiologic technologist with over 1 year of experience. I have worked in both hospital and outpatient settings, and have gained a strong knowledge of diagnostic imaging procedures. I am proficient in the use of x-ray equipment and computers, and have excellent patient care skills. I am dedicated to providing high quality imaging services, and strive to provide patients with a positive experience.
