PROFILE

I am a Registered Nurse with over 3 years of experience in the medical field. I have worked in both hospitals and clinics, and have gained a wealth of knowledge in patient care. I am passionate about providing quality care to my patients, and always work to ensure their comfort and safety. I am an excellent communicator, and have superb organizational skills which allow me to effectively manage multiple tasks simultaneously. I am confident in my abilities as a nurse, and take pride in delivering high-quality patient care.

EMPLOYMENT HISTORY

● Registered Nurse (RN) at Baylor Scott & White Health, TX

Jun 2022 - Present

- I increased patient satisfaction rates by 10% through improving communication and bedside manner.
- I decreased length of stay for my patients by an average of 2 days through effective discharge planning.
- I administered medications safely and correctly to 100% of my patients.
- I provided support to families during difficult times, resulting in positive feedback from 80% of surveyed family members.
- I identified potential complications early for 50% of my at-risk patients, leading to better outcomes overall.

● Licensed Practical Nurse (LPN) at The University of Texas Health Science Center at Houston, TX

Sep 2019 - Apr 2022

- I was responsible for caring for a caseload of 20 patients.
- I successfully completed my nursing duties with minimal supervision.
- I provided quality patient care and achieved high levels of patient satisfaction.
- I administered medications safely and accurately according to the physician's orders.
