6785 California Ave, Los Angeles, CA 90001

Profile

I am a Registered Nurse with 3 years of experience in an acute care setting. I have worked with a variety of patients, from those who are healthy and require little medical intervention to those who are critically ill and need constant monitoring. I have excellent assessment skills and am able to quickly identify changes in patient condition. I am proactive in providing nursing interventions and communicating with the interdisciplinary team to ensure that each patient receives individualized care.

Employment History

Registered Nurse at California Nurses Association, CA

Mar 2022 - Present

- Wrote and implemented care plans for 30 patients.
- Collaborated with interdisciplinary team to develop individualized treatment plans.
- Assessed patient health status and developed nursing diagnoses accordingly.
- Provided direct patient care, including administering medications and treatments, monitoring vital signs, and performing wound care.
- Educated patients and families on disease process, medication regimens, expected outcomes of treatment plan.

Licensed Practical Nurse at National Nurses United, CA

Sep 2019 - Jan 2022

- Assisted in the care of 30 patients on a busy medical surgical floor.
- Monitored and reported changes in patient vital signs and symptoms to RNs.
- Administered medications and treatments per physician orders.
- Assisted with admissions, discharges, and transfers of patients.
- Maintained cleanliness and organization of work area.

Education

Associate Degree in Nursing at Santa Monica College, CA

Aug 2015 - May 2019

Some skills I've learned are critical thinking, time management, teamwork, and effective communication.
