PROFILE

I am a Registered Nurse with over 3 years of experience in the medical field. I have worked in various settings, including hospitals, clinics, and private practices. I have gained a wealth of knowledge and experience in patient care, wound care, IV therapy, and other nursing skills. I am passionate about providing quality patient care and ensuring that patients receive the best possible outcome from their treatment plan. I am dedicated to my profession and committed to lifelong learning so that I can provide the highest level of care possible for my patients

EMPLOYMENT HISTORY

● Registered Nurse at Aurora Health Care, WI

Jun 2022 - Present

- I increased patient satisfaction scores by 10% through implementing new bedside manner techniques.
- I decreased the length of stay for my patients by an average of 2 days through effective and efficient care.
- I administered medications to 100 patients per day on average, with a 98% accuracy rate.
- I documented all aspects of patient care in the electronic medical record system accurately and completely.
- I provided education to 20 patients per week on disease process, self-care management, and discharge planning.
- I collaborated effectively with interdisciplinary team members to ensure optimal patient outcomes.

● Licensed Practical Nurse at Advocate Aurora Health, WI

Sep 2019 - May 2022

- Successfully completed 12-week Licensed Practical Nurse program.
- Achieved a 97% on the National Council Licensure Examination (NCLEX).
- Worked as an LPN for 2 years in a long-term care facility.
- Cared for up to 30 residents per shift.
- Assisted with activities of daily living such as bathing, dressing, and grooming.
- Provided medication administration and wound care.
