Profile

A registered nurse with over three years of experience providing care to patients in a variety of settings. I have experience working in both acute and chronic care environments, as well as hospice and home health. I am passionate about nursing and committed to providing the best possible care to my patients. I am a patient advocate and work collaboratively with other members of the healthcare team to ensure that each patient receives individualized, high-quality care.

Employment History

Registered Nurse at Beebe Healthcare, DE

Apr 2022 - Present

- Demonstrated expertise in delivering high-quality patient care by consistently receiving positive feedback from patients and families.
- Actively collaborated with other members of the healthcare team to ensure coordinated and comprehensive patient care.
- Demonstrated strong critical thinking skills by quickly assessing a complex situation and responding appropriately.
- Successfully completed continuing education courses on topics such as pain management, wound care, and palliative care.
- Maintained up-to-date knowledge of evidence based nursing practice by reading professional journals and attending conferences.

Licensed Practical Nurse at ChristianaCare, DE

Sep 2019 - Feb 2022

- I provided care for up to 20 patients at a time.
- I administered medications and treatments as prescribed by the physician.
- I monitored vital signs and reported changes to the RN or physician.
- I assisted with wound care, including cleaning, debridement, and dressing changes.
- I educated patients and families on disease process, medication side effects, and discharge planning.
