1201 Broadway, New York, NY 10001

Profile

I am a Research Assistant Professor with over 5 years of experience in academia. I have worked extensively on research projects, both as an individual and as part of a team. My skills include data analysis, literature reviews, and writing academic papers. I am also experienced in presenting my findings at conferences and workshops. In addition to my research experience, I have taught undergraduate courses and supervised graduate students.

Employment History

Research Assistant Professor at Columbia University, NY

May 2022 - Present

- Led a research team of 4 graduate students and 2 undergraduate students that resulted in 3 first-author publications in peer-reviewed journals.
