

Shyla Tagler

Respiratory Care Practitioner

Profile

I am a certified Respiratory Care Practitioner with over 1 year of experience in the field. I have worked in both hospital and outpatient settings, providing care to patients of all ages. I am skilled in performing diagnostic testing, administering respiratory therapy treatments, and teaching patients about their condition. I am dedicated to providing high-quality care to my patients and working collaboratively with other members of the healthcare team.

Employment History

Respiratory Care Practitioner at Sun Health, AZ

Apr 2022 - Present

- Successfully completed a 6-month long externship in respiratory care at XYZ hospital.
- Became certified as a Registered Respiratory Therapist (RRT) by the National Board for Respiratory Care.
- Achieved high marks on annual performance evaluations, with an average score of 4.8 out of 5 over the past 3 years.
- Maintained low patient complaint rates throughout employment, with only 2 complaints filed in 3 years.
- Received positive feedback from patients and families regarding quality of care provided.

Respiratory Care Practitioner I at Banner Health, AZ

Jul 2021 - Feb 2022

- Performed daily respiratory treatments for patients with chronic lung conditions.
- Monitored and recorded patient vital signs before and after treatments.
- Assisted in the development of individualized care plans for each patient.
- Educated patients and families on disease management and treatment options.
- Maintained cleanliness of equipment and work area.
