(276) 351-7719

4205 Home Street, New York, NY 10001

Profile

I am a certified Respiratory Therapy Technician with over 1 year of experience working in the field. I have worked with patients of all ages, from newborns to adults, and have gained a wealth of knowledge in respiratory care. I am passionate about helping my patients breathe easier and improve their quality of life. I am dedicated to providing the best possible care for each and every patient that comes under my care.

Employment History

Respiratory Therapy Technician at Better Home Health Care Agency, NY

Jun 2022 - Present

- Successfully completed training program and certification exams to become a Respiratory Therapy Technician.
- Assisted in the development of a new respiratory therapy program at the hospital.
- Successfully implemented a new type of respiratory therapy treatment for patients with COPD.
- Reduced length of stay for ventilated patients by an average of 2 days.
- Successfully trained 4 new RTTs.

Respiratory Therapy Technician I at Metropolitan Jewish Health System, NY

Sep 2021 - May 2022

- Successfully completed 500 respiratory therapy treatments.
- Successfully operated and monitored 50 ventilators.
- Assisted in the care of 30 patients with chronic respiratory conditions.
- Performed 10 bronchoscopies successfully.
- Trained 5 new respiratory therapy technicians.

Education

Associate of Science in Respiratory Therapy at Mohawk Valley Community College, Utica, NY

Aug 2017 - May 2021

I have learned how to work with patients who have breathing difficulties due to a variety of conditions, how to operate different types of medical equipment, and how to keep detailed records.
