PROFILE

I am a School Social Worker with over 3 years of experience. I have worked in a variety of settings, including inner-city schools and suburban schools. I have also worked with students from a wide range of cultural backgrounds. In my work, I help students to overcome social, emotional, and academic challenges. I also work with families to support them in meeting their children's needs.

EMPLOYMENT HISTORY

● School Social Worker at Highline Community Schools, CO

May 2022 - Present

- Successfully advocated for resources and individualized services for students with chronic truancy issues, which resulted in a 95% decrease in the number of unexcused absences.
- Worked collaboratively with school staff to develop and implement positive behavior supports for students exhibiting disruptive behaviors, resulting in a 70% reduction in office discipline referrals.
- Successfully facilitated communication between parents/guardians and teachers to resolve conflict and improve home-school relations.
- Created and implemented an evidence-based social skills curriculum for Kindergarten through 5th grade students, which improved student interpersonal skills by 80%.
- Provided crisis intervention services to families experiencing homelessness, domestic violence, or other traumatic events; helped connect them to community resources that provided long-term support.

● School Social Worker II at Jefferson County Public Schools, CO

Jul 2019 - Mar 2022

- Implemented a new social-emotional curriculum that resulted in a decrease of disruptive behaviors by 25%.
- Led weekly group counseling sessions for students with behavioral issues which led to an increase in pro-social skills and positive peer relationships.
- Chaired the school's 504 Accommodation committee, overseeing development and implementation of Individual Education Plans (IEP) for students with disabilities.
- Collaborated with teachers, administrators, and parents to develop behavior intervention plans for at-risk students which improved academic performance and decreased office referrals by 50%.
- Presented at districtwide professional development workshops on various topics related to social emotional learning and special education.
