## PROFILE

I am a School Social Worker with over 3 years of experience. I have worked in a variety of settings, including schools, community organizations, and private practices. I have provided direct services to children and families, as well as conducted group therapy and workshops. I am passionate about helping others and advocate for social justice. In my previous role as a School Social Worker, I provided individual counseling to students, developed behavior intervention plans, collaborated with teachers and administrators to create positive school climates, and led parent workshops on topics such as effective communication skills
