

# Odessie Muellerleile

## Scrum Team

I am a highly experienced and successful Scrum Team leader with over 3 years of experience in the field. I have successfully implemented Scrum methodology across various projects, teams and organizations. My areas of expertise include product backlog management, sprint planning & execution, scrum retrospective meetings, stakeholder engagement and delivery coordination. I am also well versed in Agile / Lean software development principles & practices. I have contributed significantly to the success of my previous employers by ensuring timely delivery of high quality products/services within budget constraints
