Security Guard

## Profile

I am an experienced security guard with over 1 year of experience in the industry. I have a strong passion for keeping people and property safe, and I am always on the lookout for potential threats. I have excellent observational skills and a keen eye for detail, which allows me to quickly identify any suspicious activity. In addition to my patrolling duties, I also handle customer service inquiries and resolve any issues that may arise. My ability to stay calm under pressure has helped me diffuse many potentially dangerous situations.
