

Dynastie Satran

Security Manager

Profile

I am a highly experienced security manager with over five years of experience in the field. I have worked extensively in both the private and public sectors, and have developed a strong reputation for being an effective leader and security expert. I am passionate about ensuring the safety of others, and take great pride in my work. I am known for my ability to think quickly on my feet and handle difficult situations calmly and efficiently. In addition to my extensive experience, I hold a degree in Homeland Security from XYZ University

Employment History
