## Profile

As a Senior Interior Designer, I have over 5 years of experience in the industry. I have worked on a variety of projects, from small residential to large commercial. My strength lies in my ability to understand the client's needs and translate them into a design that is both functional and aesthetically pleasing. In addition, I am also experienced in project management, which allows me to see the big picture and ensure that all details are taken care of.

## Employment History

### Senior Interior Designer at Design Studio, IL

Mar 2022 - Present

- Led a team of 5 designers in creating the interior for a new high-end hotel, which received rave reviews from guests and was featured in several magazines.
- Worked with a budget of \$1 million to design the interiors for a luxury apartment complex, which included sourcing and selecting all furniture, fixtures, and finishes.
- Successfully managed the redesign of a corporate office space for a major financial institution, staying within budget and completing the project on time.
- Designed the interiors for a model home that won an award from the National Association of Home Builders.
- Collaborated with an architect on the design of a new restaurant, which opened to great success.

### Interior Designer at Interior Designers Inc., IL

Sep 2017 - Feb 2022

- Led the design of a 200,000 square foot office building which achieved LEED Gold certification.
  - Designed the interiors for 10 high-end residential properties.
  - Managed a team of 5 designers on a large commercial project.
  - Created a successful small business specializing in sustainable interior design solutions.
  - Authored a book on green interior design practices.
- 

---

## Education

### Bachelor of Science in Interior Design at University of Illinois at Urbana-Champaign

Aug 2013 - May 2017

I have learned how to design interior spaces that are functional, safe, and aesthetically pleasing.
