Profile

I have over 5 years of experience as a Special Education Teacher. I am certified in both Wisconsin and Illinois. I have worked with students ranging from ages 3-21 with various disabilities such as Autism, Down Syndrome, Intellectual Disability, Emotional Behavioral Disorder (EBD), Learning Disabilities (LD) etc. My lessons are designed to meet the individual needs of each student while still being engaging and interactive. In addition to my teaching experience, I also have experience working as a case manager and behavior specialist.

Employment History

Lead Special Education Teacher at Easter Seals Wyoming, WY

Mar 2022 - Present

- Led a team of special education teachers in developing and implementing IEPs for students with disabilities.
- Monitored student progress and provided feedback to teachers on ways to improve instruction.
- Conducted observations of classrooms and provided coaching to teachers on effective instructional strategies.
- Presented at district-wide professional development events on special education topics.
- Served on the district level Special Education Advisory Council.

Senior Special Education Teacher at The Arc of Wyoming, WY

Jul 2017 - Feb 2022

- Successfully implemented an IEP for a student with Autism, which resulted in the student's ability to be mainstreamed into a regular education classroom for 80% of the school day.
- Successfully created and taught a lesson on fractions to a group of students with special needs, resulting in all students being able to correctly answer questions on a quiz at the end of the lesson.
- Successfully advocated for a student with special needs to get the resources they need in order to be successful in school.
- Successfully worked with a team of teachers to create and implement an IEP for a student with multiple disabilities.
- Successfully created and taught a social skills class for students with special needs, which resulted in increased social interaction among classmates.

Education

Bachelor of Science in Special Education at University of Wyoming

Sep 2012 - May 2017

Some skills I've learned are how to develop Individualized Education Programs (IEPs), behavior intervention plans (BIP), positive behavioral supports (PBS), and functional behavior assessments (FBAs).
