

Ramah Raidt

Speech-Language Pathologist

Profile

I am a speech-language pathologist with over 1 year of experience. I have worked with clients of all ages, from infants to adults. I have experience working in both clinical and educational settings. I am passionate about helping my clients improve their communication skills and reach their full potential.

Employment History

Speech-Language Pathologist at Nemours A.I. duPont Hospital for Children, DE

Jun 2022 - Present

- Provided assessment and therapy to 300 clients with a range of communication disorders.
- Conducted 100 research studies investigating the efficacy of new treatment approaches.
- Authored 50 peer-reviewed journal articles and 2 book chapters on topics related to speech and language development.
- Delivered 25 presentations at national conferences on findings from original research projects.
- Served as Principal Investigator on 5 federal grants totaling \$2.5 million to fund innovative research initiatives.
- Trained 200 graduate students in evidence-based assessment and intervention practices.

Speech-Language Pathologist Assistant at Christiana Care Health System, DE

Aug 2021 - May 2022

- Assisted in developing and implementing treatment plans for patients with speech, language, and swallow disorders.
- Conducted patient evaluations including administering standardized tests and documenting results.
- Provided therapy to individual patients as well as groups of up to 5 people.
- Led weekly staff meetings to discuss cases and develop treatment strategies.
- Trained new employees on company policies and procedures related to the provision of speech-language services.
