PROFILE

I have over 5 years of experience as a Stock Controller. In my previous roles, I was responsible for controlling stock levels and issuing purchase orders to suppliers. I have also gained experience in managing warehouse operations and logistics. My strong organizational skills and attention to detail enable me to effectively control stock levels and ensure that inventory is accurately tracked. Through my work experiences, I have developed excellent communication and interpersonal skills which allow me to liaise effectively with suppliers, customers and other stakeholders.
