1234 Elm Street, New York, NY 10001

Profile

I have over 1 years of experience as a Substance Abuse Case Manager. In this role, I provided direct services to clients with substance abuse issues and their families. I developed individualized treatment plans, conducted intakes and assessments, and provided crisis intervention services. I also facilitated groups on topics such as anger management, stress reduction, relapse prevention, and life skills development. My work helped my clients achieve sobriety and improve their overall well-being.

Employment History
