Substance Abuse Social Worker

## Profile

I have over 1 year of experience as a Substance Abuse Social Worker. I have worked with clients who are struggling with addiction and mental health issues. I have helped them to access resources and support, and to develop coping skills. I am passionate about helping my clients to overcome their challenges and live healthier lives.

## Employment History

### Substance Abuse Social Worker at A New Day Rehabilitation Center, AZ

Mar 2022 - Present

- Led a team of social workers in providing direct care to substance abuse patients.
- Implemented new policies and procedures for the department which led to an increase in productivity by 15%.
- Trained new staff members on proper techniques for working with substance abuse patients.
- Successfully advocated for additional resources from administration to support the needs of the department.
- Collaborated with community partners to develop programming aimed at reducing recidivism rates among our patient population.
- Wrote grant proposals that secured over \$1 million in funding for new programs and services.

### Substance Abuse Social Worker II at The Phoenix House, AZ

Aug 2021 - Feb 2022

- Led a group of 10 substance abuse social workers in providing direct care to clients with addiction.
- Trained new staff on evidence-based practices for treating addiction and co-occurring mental disorders.
- Developed and implemented an individualized treatment plan for each client that addressed their unique needs.
- Facilitated weekly family therapy sessions to support loved ones of clients in recovery.
- Monitored progress of clients using standardized assessment tools, such as the Addiction Severity Index (ASI).
- Wrote clinical summaries for each client documenting progress made in treatment.

## Education

### Bachelor of Science in Social Work at Arizona State University

Sep 2017 - May 2021

I have learned to advocate for social justice, work with diverse populations, and promote human rights.
