## PROFILE

I am a Supply Chain Manager with over 5 years of experience in the industry. I have worked for both small and large companies, and have gained a wealth of knowledge in supply chain management. I am highly motivated and always looking for ways to improve efficiency within the supply chain. My ultimate goal is to ensure that the company I work for has a smoothly running operation, from procurement through to delivery.

## EMPLOYMENT HISTORY

### ● Supply Chain Manager at Cargill, IA

Mar 2022 - Present

- Successfully managed supply chain for company with 100+ locations and \$5B in annual revenue.
- Decreased inventory levels by 10% while increasing sales by 15%.
- Improved supplier on-time delivery performance from 70% to 95%.
- Achieved cost savings of \$3M through implementation of lean manufacturing techniques.
- Designed and implemented new warehouse management system that increased efficiency by 25%.

### ● Assistant Supply Chain Manager at John Deere, IA

Sep 2017 - Jan 2022

- Successfully managed and coordinated the supply chain for a company with 5 warehouses and 15 trucks.
- Successfully implemented a new inventory management system that saved the company \$100,000 per year.
- Successfully negotiated contracts with suppliers that saved the company 10% on all purchases.
- Created and implemented a new shipping schedule that reduced transit times by 20%.
