

Talitha Schwark

Teacher's Aide

I am a Teacher's Aide with over 3 years of experience working in elementary schools. I have a passion for helping children learn and grow, and I enjoy being able to work closely with both teachers and students. I am patient, reliable, and efficient at managing my time, which makes me an asset in any classroom setting. In addition to my teaching experience, I also have experience working as a nanny for two families with young children. This has given me valuable insight into how to best support parents and caregivers while still providing high-quality care for the children.
