Profile

I am a Technical Program Manager with over 5 years of experience. I have managed programs and projects for both small businesses and large corporations. I have a proven track record of successful project delivery. I am an expert in program management, Agile methodology, and stakeholder management.

Employment History

Technical Program Manager at Northrop Grumman Corporation, LA

Apr 2022 - Present

- Led a team of engineers in developing and launching 3 new products, which increased company sales by 15%.
- Successfully managed the development and launch of 5 major software releases, on time and within budget.
- Delivered training to 50+ employees on Agile methodologies and Scrum practices.
- Coached 10+ teams on product discovery techniques and user story mapping.
- Created process improvements that reduced release cycle times from 4 months to 2 weeks.
- Achieved 100% customer satisfaction rating for all support cases handled personally.

Associate Technical Program Manager at Raytheon Company, LA

Sep 2017 - Feb 2022

- Led a team of 4 engineers in the development of a new product, which increased sales by 25%.
- Developed and implemented a training program for new technical staff, reducing onboarding time by 50%.
- Wrote custom code that saved the company \$100,000 per year in licensing fees.
- Successfully managed 12 large-scale projects with budgets over \$1 million each.
- Decreased project costs an average of 20% through improved vendor management practices.
