Profile

I am an experienced tower electrician with over 5 years of experience in the industry. I have worked on a variety of projects, both big and small, and have gained a wealth of knowledge in this field. I am extremely safety-conscious and always put the safety of my team first. I am also very detail-oriented and take pride in my workmanship. My goal is to always complete each project to the highest standards possible.

Employment History

Lead Tower Electrician at Puget Sound Energy, WA

Jun 2022 - Present

- Led a team of electricians in the installation of an electrical grid for a new high-rise building.
- Successfully installed and tested over 500 light fixtures in a new office building.
- Coordinated with other trades to ensure that all electrical work was completed on time and within budget.
- Trained new electricians on proper safety procedures and equipment usage.
- Maintained a clean and safe work environment at all times.
