

Kiira Overhulser

Train Master

Employment History

Train Master at Amtrak, LA

Mar 2022 - Present

- Successfully managed the rail operations for a large, regional railroad company with over 2,000 miles of track.
- Oversaw the scheduling and dispatch of more than 500 trains per day while ensuring compliance with all safety regulations.
- Coordinated closely with Engineers, Conductors, and other Train crew members to ensure efficient operation of the railroad.
- Responded quickly and effectively to any incidents or accidents that occurred on the Railroad, minimizing disruptions to service.

Assistant Train Master at Union Pacific Railroad, LA

Sep 2018 - Jan 2022

- Successfully directed the work of 60 train crews and 24 yardmasters while maintaining on-time performance at 97%.
- Reduced accidents by 35% through implementation of new safety protocols.
- Successfully coordinated the movement of 2,500 freight cars per day across a 500-mile rail network.
- Developed and implemented a new training program for newly hired train crew members that reduced turnover by 25%.
- Worked with engineers to develop a more efficient routing system that saved the company \$250,000 annually in fuel costs.

Train Master in Training at BNSF Railway, LA

Aug 2015 - Jul 2018

- Trained and oversaw the work of 50 conductors.
- Wrote operating rules and procedures for the train crew.
- Monitored compliance with safety regulations.
- Investigated accidents and incidents.
- Planned and coordinated the movement of trains.
